Relationship agreements

In the period between the end of the 2018 financial year and the date of this report, the Company has entered into relationship agreements (the “Relationship Agreements”) with each of Greenleas International Holdings Ltd., Abiglaze Ltd and Crosland Global Limited (the “Controlling Shareholders”) that regulate the ongoing relationship between the Controlling Shareholders and the Company. This ensures that the Company is in compliance with the provisions of the Listing Rules and capable of carrying on its business independently of the Controlling Shareholders, and ensures that any transactions and relationships between the Company and the Controlling Shareholders are at arm’s length and on normal commercial terms. These Relationship Agreements were last amended and restated (or, in the case of Abiglaze Ltd, first entered into) in January 2019 reflecting changes in the Company’s shareholder structure that took place in December 2018.

The Relationship Agreements terminate if the Controlling Shareholders cease to own or control (directly or indirectly) in aggregate at least 30% of the issued ordinary shares in the Company (or at least 30% of the aggregate voting rights in the Company).

Under the Relationship Agreements, the Controlling Shareholders and the Company agree that:

- The Controlling Shareholders have the right to appoint the maximum number of non-executive directors that may be appointed while ensuring that the composition of the Board remains compliant with the UK Corporate Governance Code for so long as the Controlling Shareholders hold in aggregate an interest of 30% or more of the Company (or holds 30% or more of the aggregate voting rights in the Company) with each appointee being a “Shareholder Director”;
- The Controlling Shareholders and their associates shall not take any action that would have the effect of preventing the Company from complying with its obligations under the Companies Act, the Listing Rules and the Disclosure Guidance and Transparency Rules;
- Neither the Controlling Shareholders nor any of their associates will propose or procure the proposal of any shareholder resolution that is intended or appears to be intended

to circumvent the proper application of the Listing Rules;

- Transactions, relationships and agreements between the Company and/or its subsidiaries (on the one hand) and the Controlling Shareholders shall be entered into and conducted on arm’s length terms and on a normal commercial basis, unless otherwise agreed by a committee comprising the non-executive directors of the Company whom the Board considers to be independent in accordance with the UK Corporate Governance Code (the “Independent Committee”);
- The Controlling Shareholders shall, insofar as it is legally able to do so, exercise their powers, and shall procure that each member of the respective Controlling Shareholder group does the same, so that the Company is managed in accordance with the principles of good governance set out in the UK Corporate Governance Code, save as agreed in writing by a majority of the Independent Committee;
- The Controlling Shareholders will, and will procure (as far as is reasonably possible) that each member of the respective Controlling Shareholder group will, treat as confidential all information (subject to certain exceptions) acquired relating to the Company and its subsidiaries;
- The provision of, access to and use of information pursuant to the Relationship Agreements is governed by applicable laws relating to insider information, including, without limitation, the Disclosure Guidance and Transparency Rules;
- The Controlling Shareholders shall not, and shall procure, insofar as they are legally able to do so, that each member of the respective Controlling Shareholder group shall not, take any action that precludes or inhibits the Company and/or any of its subsidiaries from carrying on its business independently of the Controlling Shareholders or any member of the respective Controlling Shareholder group;
- The quorum for any Board meeting of the Company shall be three, of which at least one must be a Shareholder Director appointed by Greenleas International Holdings Ltd., at least one must be a Shareholder Director appointed by Abiglaze Ltd and/or Crosland Global Limited and at least one must be a non-executive director whom the Board considers to be independent in accordance with the UK Corporate Governance Code;
- The Controlling Shareholders shall not, and shall procure, insofar as they are legally able to do so, that each member of the respective Controlling Shareholder group shall not, exercise any of their voting or other rights and powers to procure any amendment to the Memorandum and Articles that would be inconsistent with, undermine

- or breach any of the provisions of the Relationship Agreements, and will abstain from voting on, and will procure that the Controlling Shareholder Directors abstain from voting on, any resolution to approve a transaction with a related party (as defined in the Listing Rules) involving the Controlling Shareholders or any member of the respective Controlling Shareholder group;
- In any matter that, in the opinion of an independent director, gives rise to a potential conflict of interest between the Company and/or any of its subsidiaries (on the one hand) and the Shareholder Directors, the Controlling Shareholders or any member of the respective Controlling Shareholder group (on the other), such matter must be approved at a duly convened meeting of the Independent Committee or in writing by a majority of the Independent Committee;
- For so long as Greenleas International Holdings Ltd. (and its affiliates) holds in aggregate an interest of 25% or more in the Company, Greenleas International Holdings Ltd. undertakes that it will not become, and will use its reasonable endeavours to procure that no other member of its group becomes, involved in any competing business (subject to certain exceptions) in Russia, Ukraine or the CIS without giving the Company the opportunity to participate in the relevant competing business;
- For so long as Abiglaze Ltd and Crosland Global Limited (and their respective affiliates) hold in aggregate an interest of 25% or more in the Company, Abiglaze Ltd and Crosland Global Ltd undertake that they will not become, and will use their reasonable endeavours to procure that no other member of the respective Controlling Shareholder group becomes, involved in any competing business (subject to certain exceptions) in Russia, Ukraine or the CIS without giving the Company the opportunity to participate in the relevant competing business.
